

Lawrence Township, Mercer County NJ
Administrative Code
Section 10-15
Garbage and Refuse

Placement of Vegetative Materials

- a. Vegetative materials shall be placed at the street or road edge in a manner convenient for the Township collector.
 1. Leaves shall be separated from all other plant materials and shall be placed loose (not in bags or other containers).
 2. Other plant materials shall be placed in an area of the street not greater than four feet (4') from the edge of the pavement. Materials may be piled not greater than three feet (3') in height. Trees greater than 8-inch caliper may not be disposed of through curbside collection.
 3. Grass shall be disposed of as regular trash on normal collection days.
- b. For the purpose of collecting leaves and other plant materials, the Township is divided in four zones (see zone map). Materials will be collected in Zone 1 during the week containing the first Monday in the month, Zone 2 during the week containing the second Monday, Zone 3 during the week containing the third Monday, and Zone 4 during the week containing the fourth Monday. Materials shall be put out the Saturday or Sunday immediately preceding the week in which a zone is to have collection.

Penalty.

Any person, firm or corporation violating this article shall be subject to a fine not to exceed five hundred dollars (\$500) or by imprisonment not to exceed ninety (90) days, or both.
