

ITNGreaterMercer™
Registration Form

I want to support ITNGreaterMercer™: By supporting ITNGreaterMercer™ at the individual level or higher, I will be eligible to open a transportation account when service is available. By becoming a part of ITN now, you are demonstrating your commitment to bringing dignified transportation to the region's senior population. As you know, we are still in the beginning phases of developing a program, and therefore we cannot guarantee that we will be able to provide service to everyone at the outset. If, however, when we start to provide rides, we are not ready to serve your area, we will gladly refund your registration fee. (Anticipated start date: September 2006)
