

Medicinal Marijuana Education

Presented by Nancy Scanlon, Pharm D.
Pharmacy Manager
Certified in Cannabis Healthcare & Medicine
Hunterdon Hematology Oncology

Did you know that cannabis has been utilized for medicinal purposes for centuries? Are you curious to learn more?

Hunterdon Hematology Oncology, in collaboration with the Hunterdon Regional Cancer Center, welcomes all patients, cancer survivors, family, friends and healthcare providers for an informative discussion on the advantages of medicinal marijuana. A question and answer segment to follow.

Date: Thursday, February 1, 2024 at 6:00 PM

**Hunterdon Medical Center Auditorium
2100 Wescott Drive,
Flemington, NJ 08822**
