

Lawrence Township is proud to celebrate National Disability Employment Awareness Month (NDEAM) during the month of October! NDEAM aims to educate the American workforce about disability employment issues and celebrate the many and varied contributions of America's workers with disabilities. Here in Lawrence Township, we strive to serve all residents. To achieve this goal, we harness all the diverse skills and talents offered by our employees, including our workers with disabilities. Like other employers across the country, we rely heavily upon their outstanding productivity to achieve our objectives, and they deserve our recognition and gratitude. NDEAM provides an incredible opportunity to demonstrate our commitment to all employees.
