OLD BUSINESS

HEALTH REPORT: Due to the absence of Health Officer, Carol Chamberlain, Dale Robbins reported that there will be Bloodborne Pathogen training on Wednesday, March 23, 2011 at the Public Works Garage at 1:30pm. It was noted that adequate time is required for notification of all future scheduled training.

EMERGENCY APPARATUS REPORTS: Deputy Chief, Marty Sudol reported that all apparatus was in service at the Slackwood Fire Company at this time and that the 5th flat had been repaired on the Snorkel. He also reported that Chief Mike Oakley requested that the Sunday test of the paging system for the fire companies, needs to be announced as a "TEST." Jack Oakley will speak to Chief Posluszny regarding this matter. Dale Robbins reported that to his knowledge, all apparatus was in service at the Lawrence Road and Lawrenceville Fire Companies. Dale also reported that the problems that the fire companies were having with the group home located at 19 Darrah Lane East should be remedied. There are plastic boxes installed over the pull stations within the group home, so that the tenants cannot easily pull the alarm, as has been done several times, causing false alarms at this location. Jack Oakley reported that all apparatus is currently in service at this time for the Lawrence Township Emergency Medical Services. Rich Krawczun inquired to Dale Robbins whether any of the Fire Chiefs had contacted him about not attending the meeting. No Fire Chiefs had contacted Dale Robbins about their absence at the meeting.
