**Old Business / New Business / Correspondence:**

Chairperson Wiznitzer stated he attended a seminar and was reminded that no one is to talk about any Planning Board business outside this room because of the Open Public Records Act. The resolution that is going to be looked at later, we wanted to communicate to the Governing Body for a recommendation to close Princess Road and does not want it to be forgotten and should not be include Mayor Bobbitt, as a sender, or Councilman Kownacki or Manager Nerwinski because that may open up a conflict of interest when the Governing Body takes it up.

Mr. Schmierer stated the resolution itself, once it is adopted, that it instructs him to send a letter, which is already drafted, to the Governing Body, Mayor and Council on behalf of the Board, copied to James Parvesse and to the Board members and does not open up a conflict.

**Closed Session Resolution:** None

**Adjournment:**

There being no further business to come before the Board, the meeting was adjourned at 5:34 p.m.
