Special Proclamations, Recognitions and Presentations

**Proclamation – Knock Out Opioid Abuse Day**

Mayor Bobbitt read the following Proclamation into record. He then presented the Proclamation to the recipient who indicated she is a regular citizen trying a new and interesting way outside of the norm to bring awareness about Opioid Abuse that is on the rise. And, indicated anybody in Lawrence Township can do what she is doing in terms of setting up tables with information on opioid addiction, talking to the people at the library and other places, having events at schools to raise awareness in regular communities and inspire conversation about a problem that is not normally thought about.

*Proclamation*

*WHEREAS, opioids are commonly prescribed for pain, and an estimated 20 percent of patients presenting to physicians with non-cancer pain symptoms, pain-related diagnoses, or acute and chronic pain receive an opioid prescription; and*

*WHEREAS, in 2017 opioid prescriptions were written at a rate of 58 prescriptions for every 100 people in the United States; and*

*WHEREAS, while evidence supports the benefits of opioid pain medication short term, it presents serious risks, including the risk of opioid overdose, misuse, and abuse; and*

*WHEREAS, the unprecedented rise of overdose deaths in the US parallels a nearly 300 percent increase in the sale of opioid pain medications, such as Oxycodone and Percocet, since 1999; and*

*WHEREAS, as the chemical structure of opioids mimic the structure of receptors in the brain and nervous system, this 'relationship' allows prescription pain relievers to work by binding to these receptors, decreasing the perception of pain that creates an overwhelming feeling of euphoria, physical dependence and in some cases, addiction; and*

*WHEREAS, once addicted to opioids many people go on to abuse heroin, a semi-synthetic opioid drug, because they are far less expensive to purchase and easier to obtain on the illegal drug market; and*

*WHEREAS, in 2018 it is reported that there were 68,000 opioid related deaths in the United States; and*

*WHEREAS, the Center for Disease Control and Prevention reports that New Jersey's per capita rate of 8.3 heroin related deaths per 100,000 is more than triple the National rate.*

*NOW, THEREFORE BE IT RESOLVED by the Township Council of the Township of Lawrence, County of Mercer, State of New Jersey that it hereby declares October 6, 2019 as*

***"KNOCK OUT OPIOID ABUSE DAY"***

*in the Township of Lawrence and urge all residents to become aware of the dangers of, and link between, opioid abuse and heroin addiction and to work with community leaders and educators in an effort to raise awareness of this deadly epidemic and to join together in an effort to eradicate this ever-growing menace to our society.*

### Public Participation

Mr. Anthony Destribats, Destribats Campbell Straub & Schroth, LLC, stated he is the attorney for Lawrence Square Village and he received a Notice regarding Ordinance No. 2340-19 (LUO Amendment – Block 4103, Lots 8,9, and 10 to Neighborhood Center 2 –NC-2) designation on the Agenda to be voted on this evening. The property is directly at Lawrence Square Boulevard North which Lawrence Square Village currently owns, operates and maintains and his clients have some concern as to what will be proposed where the parking and entrance will be and who will maintain that road once the zone is converted to a NC-2. Also, there is a little sliver of land in front of that property that is also owned by Lawrence Square Village which will have to be traveled over so his clients would like to know what is being proposed and if the Township would like to help maintain the road or explore the possibility of taking over the road altogether and it was suggested that maybe a survey be done to actually delineate where the properties are as it relates to what is being sold turned into that portion of the ordinance and who owns what other pieces of property there.

Mr. Nerwinski advised one of the blocks and lot is owned by Lawrence Township which is the property that was deeded over to the Township by K. Hovnanian that was to serve as a fire substation; but, that never happened and Public Works had been utilizing that piece of land lately and based upon his discussion with Gregory Whitehead, Director of Public Works, he felt it would be appropriate to offer that lot for sale. When further reviewed it was other lots there that the zone was not appropriate in terms of what could or could not be built there.

Mr. Nerwinski further advised that there are no plans pending at the present time for the property; it is just a change in zoning that best suits that particular piece of land to make it more marketable and realistic opportunity to sale. Mr. Destribats requested that his clients be notified as to whatever is proposed so they will know who will bear the responsibility of maintaining the road and the insurance for that road. Some discussion followed relative to road being a private road and if the characteristics of changes and the road services more than his client Lawrence Square Village and other parties within the community he would be open to discuss a deviation or some apportionment of responsibility. In closing, Mr. Roskos requested information on the sliver of land Mr. Destribats spoke about just in case the land goes out to public bid.

### Review and Revisions of Agenda

Mr. Roskos stated in reference to Ordinance No. 2337-19 listed on the Agenda tonight he would like to remind everyone that the Township is still going to move forward with the Special Assessment Ordinance for the water lateral improvements for those homes served by Trenton Water Works where there is a belief that the lines could be lead based. In addition, the Township has been asked not to act on the ordinance tonight as there was a Notice requirement that needed to be met prior to adoption and requested that the Ordinance be re-listed for the October 1<sup>st</sup> Council Meeting.

Mayor Bobbitt read by title, an ordinance entitled, “AN ORDINANCE AMENDING THE LAND USE ORDINANCE OF THE TOWNSHIP OF LAWRENCE”

Mr. Powers questioned if the land was landlocked. Mr. Nerwinski replied “no”. Mr. Roskos stated he does not know exactly what Mr. Destribats was alluding to in terms of his clients owning a sliver of land as it is his understanding that the lot has frontage on the Boulevard and that frontage on the Boulevard has been used for years. Mr. Nerwinski noted that the other lots may have an issue. Mr. Roskos advised that the Title Work for the lot owned by Lawrence Township was done and this is the first he is hearing of any of other issues with the other lots; but they will certainly look into the matter before they go to bid. Additional discussion ensued relative to the matter.

And, he wants to ensure Council that the Township has supported him and his family along the way during his sickness and the Township will continue all that they can to support them. He also received information from Chief Caloiaro that the viewing for Officer Harmon is scheduled for Thursday, September 19<sup>th</sup> from 4:00 p.m. to 8:00 p.m. at Poulson and Van Hise and the funeral will take place on Friday, September 20<sup>th</sup> at 10:00 a.m.

Mr. Nerwinski further reported that they are preparing for the Solar installation so when they pull up to the Municipal Building people might get a sense that the outside of the building looks a little bare from the removal of some trees on the north and south side of the building where all the preliminary work is being done for the solar carports. And, in reference to some comments that were expressed on social media by residents the trees that were removed for the solar install will be replaced by plantings in the various parks.

Mr. Nerwinski stated every year an audit is done of the Township's finances by Mercadien, PC and that process has been completed and as usual the Municipal Audit Report came back solid. So, he and Peter Kiriakatis, CFO, asked that they review the document and if they have any questions or concerns, please let them know. Mr. Kiriakatis noted near the front of the Audit Report there is a summary which is a snapshot of the current fund.
