Nixle is a Community Notification System used to alert residents in real-time for localized emergency situations and relevant community advisories. Using Nixle, Lawrence Township has the ability to keep the community informed and engaged in community events, traffic advisories and emergencies occurring in the Township in real time. Township residents can receive Nixle alerts via text, email and voice messaging. There is no charge for Nixle, however, message and data rates may apply through your wireless carrier. To sign up for Nixle alerts please visit the Lawrence Township website.
