SOME THINGS YOU SHOULD KNOW BEFORE YOU APPLY FOR LAWRENCE TOWNSHIP AFFORDABLE HOUSING

Rents and sale prices are fixed below what the general public pays. This is not subsidized housing. The rent or sale price is not adjusted to the income of the applicant. The units are privately owned and are not owned by the Township. This application is for housing developments in the Township of Lawrence that have affordable units for which the Township keeps a waiting list. You must apply separately for affordable units in Brookshire Senior Apartments (609.882.3530); Lawrence Plaza Apartments (609.883.5407); Heritage Village (609.393.6500), Eggerts Crossing Village (609.883.7111), Project Freedom (609.278.0075) and group homes.

For Rentals:

Rental prices range from approximately \$700 (least expensive one-bedroom unit) to approximately \$1,400 a month (most expensive three-bedroom unit).

Your monthly income must be about 3 times the monthly rent.

You must be able to pass a credit check.

For Purchasing:

Selling prices range from approximately \$70,000 (least expensive one-bedroom unit) to approximately \$175,000.00 (most expensive three-bedroom unit).

You must be able to get your own mortgage. We require that you go to your bank and get pre-approved for a mortgage. This will give you an idea of how large a mortgage you will be able to get. Please supply a copy of the pre-approval with your application.

If you currently own your home and intend to sell it in order to purchase an Affordable unit, you are not required to provide a mortgage pre-approval. Owners of homes appraised at more than the regional asset limit of \$186,616.00 may not be eligible for Affordable Housing.

You may be required to put down a 5% deposit. For example, if you are buying a \$100,000 unit, you must be prepared to pay \$5,000.00 at the contract signing.

If you are a first time home-buyer, we recommend that you take the homebuyer preparation course offered by Isles (609-341-4731) or a similar course. You may be eligible for the Mercer County forgivable Loan Program (609 278 7908).

Should you have any questions, please consult the attached questions and answers sheet or contact this office at 609/844-7087.

AFFORDABLE HOUSING - QUESTIONS AND ANSWERS

What is Affordable Housing?

The Lawrence Township Affordable Housing Program was established to comply with the Fair Housing Act enacted by the New Jersey State Legislature in 1985. Certain housing units in developments have been set aside as affordable units available to income eligible households. The selling prices or rents of these units are maintained below the selling prices or rents of the market rate units in the same developments that are available to the general public. The affordable units are designated as either low or moderate and are priced in a range within each category.

To be eligible to buy or rent an affordable unit, the applicant's total gross annual household income must be at least \$20,834.00 and must not exceed the maximums listed below.

<u>Household Size</u>	<u> Maximum Annual Income</u>
1 Person Household	\$55,557
2 Persons Household	\$63,494
3 Persons Household	\$71,431
4 Persons Household	\$79,368
5 Persons Household	\$85,717
6 Persons Household	\$92,066

How is a household defined?

The term "Household" refers to <u>all</u> persons intending to live in one of the affordable housing units as a single housekeeping unit, whether or not they are related by blood, marriage or otherwise. Information about <u>all</u> persons intending to reside in the unit is required.

Do I have to meet any other qualifications?

If you wish to purchase a unit, you will be responsible for providing a down payment and for getting a mortgage. If you wish to rent, you will be responsible for demonstrating to the apartment management company that you have sufficient income and satisfactory credit.

How and where do I apply?

Applications may be requested by mail, picked up at the Affordable Housing Office, or downloaded at www.lawrencetwp.com. Completed applications must be hand-delivered or mailed to the Affordable Housing Office.

Is there a waiting list?

The Township maintains a waiting (referral) list. Once approved, a household is added to the end of the list. When vacancies occur, the units are offered to the first households on the list.

Are there any fees or charges?

If you wish to purchase, you may be required to place a down payment (generally 5%) on the unit. There will also be settlement or closing charges. You are responsible for obtaining a mortgage. Housing expenses include mortgage principal and interest, taxes, fire insurance, condominium fees, and utilities. If you wish to rent, you will be responsible for a credit check fee, security deposit, and amenity fee, as well as the rent and utilities.

Is Affordable Housing subsidized housing?

The Affordable Housing Program is not subsidized housing.

The affordable units are priced below comparable units in the development that are not affordable. There is no additional reduction in the cost of the unit or the amount of rent based on the specific income of the buyer or renter. Property taxes are based upon the assessment, which is based upon the affordable value of the unit. Therefore, an owner of an affordable unit is taxed less than if their unit was not affordable. In addition, the association fees charged to affordable units is a percentage of the fees charged to market rate units.

Where are the affordable housing units located?

The affordable units to which the Township refers eligible households are listed below. If you are interested in Lawrence Plaza, Brookshire, Project Freedom, or group homes you must apply directly to those developments.

The developments which contain rental units are:

Stewards Crossing – Bunker Hill Road Lawrenceville Garden Apartments – Franklin Corner Road Carriage Park – Colts Circle (must be 55 years old or older)

The developments which contain purchase units are:

Eagles Chase – Franklin Corner Road Lawrence Square Village I & II – Quakerbridge Road Liberty Green – Lawrence Station Road Stonerise – Gordon Avenue Tiffany Woods – Spruce Street

The developments which contain units for purchase by people 55 years old and older are:

Carriage Park – Colts Circle at Allen Lane The Gatherings – Princess Road Traditions at Federal Point – Federal City Road

What types of units are available through Affordable Housing?

Households with one or two members may be eligible for a one or two bedroom unit, households with three members may be eligible for a two or three bedroom unit, and households with four or five members may be eligible for a three-bedroom unit. There are no affordable units with more than three bedrooms. Units are condominiums or duplexes. There are no stand-alone single-family units.

What if I buy a unit and want to sell it at a later date? Are there any restrictions?

YES. When you are ready to sell, you must contact the Affordable Housing Office. We will issue names from the waiting list of households that have been approved for affordable housing. The Affordable Housing Office determines the maximum re-sale price.

Can I rent my unit to another person?

NO. It is expressly forbidden to rent an affordable housing unit that you own or to sublease a unit that you rent. Failure to comply with this provision shall result in legal action being implemented.

If you have additional questions concerning this program, please call the Affordable Housing Office at (609) 844-7087.
