The Mayor's Task Force on the Future of the Lawrence Community Center invites all Lawrence residents to a special discussion on shaping the center's future use. Your input is essential to ensuring the center best reflects our community's needs.

The Lawrence Township Council established the Mayor's Task Force to:

- Advise the Township Council on community concerns.
- Define the center's mission and future vision.
- Engage residents to ensure decisions reflect the needs of the entire community.
- Preserve the center's legacy for future generations.
