What if my property has more than two rental units?

Registration requirement under Lawrence Township Municipal Ordinance does not apply in your case. However, your property is a multiple dwelling as defined in section 3 of the "Hotel and Multiple Dwelling Law" (C. 55:13A-3) and by State Law (N.J.S.A. 46:8 -26 ET SEQ) you are already required to register as below:

- A landlord must go to the Bureau of Housing Inspection in the New Jersey Department of Community Affairs and register
- The New Jersey Department of Community Affairs will forward a copy of the filed statement to the Lawrence Township Municipal Clerk for the public records of the Township.

Why should a landlord register?

Registration is required under Lawrence Township Municipal Ordinance No. 1932-07. The purpose of the registration ordinance is to ensure that residential rental units are properly maintained, that landlords and tenants comply with the Township housing code, and that the lives and property of all Township residents are protected.

The Municipal Clerk will index and file the registration forms and make them available for public inspection. The Municipal Clerk will follow the mandates of N.J.S.A. 46:8-28.1 as amended and supplemented so that the filing of the registration form will simultaneously satisfy the registration requirements of N.J.S.A. 46:8-28, a state law requiring rental property registration, to the extent that it applies to the property being registered.

Should I register my property?

What if I do not register or renew my registration?

You may be subject to a fine of no less than one hundred dollars (\$100.00), and no more than two thousand dollars (\$2,000.00) or imprisonment for any term, not exceeding ninety (90) days, or a period of community service not exceeding ninety (90) days. This penalty is imposed by the Municipal Court.

Are there exceptions to registration requirements?
