Signature of Property Owner

If a residential property owner wants to remove a tree greater than 30" in diameter:

1. Township will inspect the tree. If the tree is not dead or considered a public safety hazard, and removal is still requested, tree replacement is required.
2. Replacement shall consist of three (3) three-inch (3") caliper trees, to be planted within three (3) months of removal.
3. If replacement trees cannot be planted or the homeowner does not wish to plant replacement trees, a contribution of \$1,200 shall be submitted to the Shade Tree Account.
4. If the homeowner does not adhere to the replacement requirement within the specified time frame, the Township may issue a Municipal Court Summons for violation of §541 of the Land Use Ordinance.
