NOTICE TO ALL APPLICANTS

Lawrence Township would like to offer applicants an explanation of our escrow accounting system so that they may better understand our practices prior to filing an application with our Zoning or Planning Board.

There are two cost components to the application submission – the application fee and the escrow deposit. The application fee is a non-refundable charge to cover direct administrative expenses.

The escrow deposit is authorized by State law and is established to cover the costs of professional services including engineering, legal, planning and other expenses connected with the review of an application and the appearance before the Zoning or Planning Boards. Some professional services are provided by in-house staff and other services by outside consultants. The law provides that the costs of outside consultant services are recovered in full and in-house staff services are recovered at double the staff member's hourly compensation. The initial escrow deposit established by Lawrence Township is almost always less than the Township's cost to complete the application process. When an escrow account is depleted, the applicant must replenish the account.

The Township sends invoices quarterly on escrow accounts. Please be advised, however, that any charges in excess of the escrow deposit must be paid in full at each of the following stages – before plans are approved, before a building permit is issued, and before a Certificate of Occupancy is issued.

We hope that this assists you in understanding the costs associated with the application process. If you need further assistance, please contact the Finance Office at 609/844-7010.
