The Watershed Institute has received a grant from NJDEP to develop a watershed management plan for the Assunpink Watershed. The Watershed Institute is working with the municipalities in the Assunpink to develop this plan. Millstone Township, Roosevelt Borough, Hopewell Township, Lawrence Township, West Windsor, Robbinsville, and Trenton have agreed to work together to develop the plan.

The public is invited to attend the meeting to understand watershed management planning and to provide information regarding flooding, water pollution, stream erosion, failing stormwater basins, etc.
