<div style="text-align: center;"> <p>Office of Township Manager 609.844.7005 E-mail: <a href="mailto:manager@lawrencetwp.com">manager@lawrencetwp.com</a></p> <p><b><u>2017 MUNICIPAL BUDGET RECOMMENDATION</u></b></p> <p><b>As presented March 21, 2017</b> <i>(Original January 17, 2017)</i></p> </div> <p><b><u>Introduction</u></b></p> <p><i>“Don’t Give Up the Ship”.</i> The infamous words of Captain James Lawrence have once again prevailed. The steady approach to the management of financial operations and of the municipal tax rate has placed Lawrence Township in an enviable fiscal position. The 2017 municipal budget message has long evolved from the ominous messages of immediate past fiscal years. During the last five years the need to make unprecedented financial and operational decisions were always considered in the context of not abandoning the fundamental approach to managing Lawrence Township, balancing services against tax payers ability to pay. That philosophy has produced a significantly positive recovery for Lawrence Township and all the while maintaining statutory compliance in fiscal operations. The challenge going forward will be to resist the temptation to deviate from that course and to exercise patience while endeavoring to maintain current fiscal strength.</p> <p>Included in the “positive” results:</p> <ul style="list-style-type: none"> <li>✚ The recommended municipal tax rate for 2017 is again unchanged for the fourth consecutive year at .527.</li> <li>✚ The amount to be raised by taxation in 2017 is \$23,848,000 which is only \$34,000 over 2016, but is \$291,000 less than the amount to be raised by taxation in 2014 when the tax rate was first .527.</li> </ul> <div style="float: right; width: 45%;"> <ul style="list-style-type: none"> <li>✚ The amount to be raised by taxation for municipal purposes is \$792,094 below the statutory 2% tax levy cap, leaving a three-year “cap bank” of \$2,505,344.</li> <li>✚ The 2016 year-end Surplus balance is \$11,723,000 versus a 2015 year-end balance of \$9,300,000, an increase of \$2,417,000.</li> <li>✚ The Surplus balance remaining available after applying an amount as anticipated revenue, will be \$7,023,000, an increase of \$2,073,000 over the 2016 remaining balance.</li> <li>✚ The cash reserve balance for tax appeals is \$2,433,000.</li> <li>✚ The decrease in outstanding debt continues. The 2010 closing balance was \$30,797,000. The 2016 closing balance is \$18,208,000.</li> <li>✚ The budget proposes no layoffs and maintains the same number of authorized Police Officer positions as the prior year. A new civilian employee will be added to return a Police Officer to patrol.</li> </ul> <p style="text-align: center;">In addition, it is worth noting that present off-budget funds have also strengthen during this same period. The year-end reserve balance in the Lawrence Township Self-Insurance Fund has risen to \$2,386,000, the Municipal Open Space Fund balance is \$2,051,000 and the General Capital Fund surplus balance is \$1,205,000.</p> <p style="text-align: center;">The following explanation details recommended anticipated revenue and appropriations in the 2017 recommended operating budget.</p> </div>

[Extra Sheet]	<b>EXPLANATORY STATEMENT – (Continued)</b> <b>BUDGET MESSAGE</b>		
<p><b>REVENUES</b></p> <p>Revenues that support the municipal operating budget have multiple sources but are placed in one of four categories; Surplus, Miscellaneous Revenues, Receipts from Delinquent Taxes and the Amount to Be Raised by Taxation, or current tax receipts. The amount of revenue from each category that is to be anticipated in support of a municipal budget is controlled by state statutes and regulations. Those legal restrictions are in place to promote assurance of the fiscal solvency of New Jersey municipalities. Generally defined the statutory restrictions are as follows; surplus is limited to the amount available from fund balance cash, miscellaneous revenues are limited to no more than the amount realized in cash in the immediately preceding fiscal year for each individual revenue source, receipts from delinquent taxes are limited to the collection percentage realized in cash against receivable balances of the prior year and current taxes are the default revenue necessary to close any gap in revenues in order to balance the budget against appropriations.</p> <p>The legal provisions that regulate the utilization of revenue in an operating budget must be applied along with a local policy of anticipating revenues at levels that can be sustained for future budgets and with consideration of the replenishment of cash surplus. Receipt of revenues in excess of what is anticipated to be received in a budget are credited to surplus at year-end, simply the regeneration of surplus. The development of revenue estimates must be approached with not only consideration of the current budget but future budgets as well. Failure to craft a budget without sustaining revenues for future use will lead to their diminished support of appropriations and increase the demand for real estate taxes. This long-term approach has been applied in preparing the recommended budget.</p> <p>Anticipated Cash Surplus as a budget revenue results from the fiscal activity of the immediate prior fiscal year. The amount of Surplus to be applied as budget revenue comes from a known year-end balance. The major contribution to generating a Cash Surplus are revenues realized in excess over the amounts anticipated to be realized in the prior year budget, lapsing 2015 appropriation reserves and miscellaneous revenue not anticipated.</p>		<p>The Cash Surplus balance at year-end 2016 is \$11,723,000 an increase of \$2,423,000 over the prior year-end balance. Surplus regenerated from 2016 fiscal operations was \$6,773,000. This is the fourth consecutive year that the amount of Surplus regenerated exceeded the amount utilized as revenue in the prior year budget.</p> <p>Cash Surplus being anticipated as revenue in the 2017 recommended municipal budget is \$4,700,000. The amount of Surplus as revenue in 2016 was \$4,350,000. Use of Surplus in 2016 included a one-time contribution of \$500,000 to the Lawrence Township Self-Insurance Trust Fund, that level of contribution in 2017 is \$60,000. The 2017 anticipated Surplus revenue includes \$225,000 for an advance pay down of Bond Anticipation Notes. Use of \$4,700,000 of Surplus as revenue will leave a remaining balance of \$7,023,000 and increase of \$2,073,000 from the prior year. It is forecast that the amount of Surplus anticipated as revenue in the 2017 budget will be regenerated under normal operating conditions. Surplus is ten-percent (10%) of total budget revenues.</p> <p>Miscellaneous Revenues are the next category for discussion. Miscellaneous Revenues are from known and recurring sources, for example permit fees, court fines, interest income and state aid. The amount of a revenue from this category is limited by statute to not being anticipated in the current year budget in excess of what was collected from that same identical source in the immediately prior year. Two items of note in this category for 2017 are, higher Sewer Service Charges which have been adjusted to meet the increased user charge from the Ewing Lawrence Sewerage Authority and State Aid has remained unchanged at \$3,976,000. This aid has remained unchanged since 2010. Miscellaneous Revenues are thirty-four percent (34%) of total budget revenues.</p> <p>“Receipts from Delinquent Taxes” are receipts from payments of outstanding prior year tax receivables and tax title liens held by the municipality. The year-end tax receivable balance is \$1,223,000. The 2017 budget anticipates \$830,000 as revenue from this source. Delinquent tax revenue is two percent (2%) of the total budget.</p>

---------------	---

Property taxes are the amount necessary to balance the budget with revenues to equal appropriations. Property taxes, also referred to as the “Amount to be Raised by Taxation”, is the difference between the total of all budget appropriations less the total of anticipated revenues. The amount to be raised by taxation in the 2017 budget is \$23,848,708 an increase of \$34,000. The 2017 Amount to be Raised by Taxation is \$291,000 below the amount raised in 2014. The proposed amount to be raised by taxation is \$825,000 below the statutory 2% levy cap. The 2017 cap levy available for “banking” brings the three year levy cap bank to \$2,539,000. The amount of revenue from property taxes is 54% of total revenues and a one percent (1%) reduction from the prior year.

When calculating the tax rate it is not only necessary to know the amount of taxes to be collected, but it is also necessary to know the value of taxable property in the municipality, also known as Net Valuation Taxable. The 2017 Net Valuation Taxable is \$4,525,648,829 an increase of \$7,009,000 over the previous year. The increase in taxable value, although slight, helps to support growth in the budget.

The new amount of taxable value results in one penny on the tax rate equaling \$452,565. The recommended municipal tax rate for 2017 is .527 and remains unchanged for the fourth consecutive year. A residential property owner with a property valued at the 2017 average residential assessment of \$282,093 will pay \$1,487 in municipal property taxes, the same as the prior three years.

**APPROPRIATIONS**

The challenge while crafting the 2017 recommend municipal budget continues to be implementing financially efficient services at an appropriate level, which have been impacted by budget cuts from previous fiscal years. Service demands are not decreasing. For example the development growth in the last two years brings with it an increase in demands for service, some observers will say the new ratables have brought increased tax revenues. All true, but we must continue to recognize that Lawrence Township only receives about twenty-cents (.20) of every tax dollar collected and the needed

services are not fully funded by the additional tax revenue. Furthermore, the reduction of forty-one (41) staff positions since 2007 has the dual impact of restraining municipal tax growth and simultaneously restraining service expansions.

New Jersey municipal budgets are restricted by law to limit designated appropriations from increasing no more than “2.5% or the cost of living adjustment, whichever is less”. For fiscal year 2017 the cost of living adjustment was calculated to be .5%. The appropriations subject to the CAP are \$280,000 below the statutory limit.

A list of major increases, decreases and/or extraordinary changes in spending with explanations is as follows:

Appropriation	Increase/Decrease	Reason
Salaries	\$ 71,000	Labor Agreements, Various Retirements/Replacements
Legal Services O.E.	\$135,000	Additional fees Affordable Housing Declaratory Judgement
General Liability Insurance O.E.	(\$445,000)	Reduce one-time funding from Surplus
Health Benefits	\$ 93,000	Premium increase net of employee contributions
Unemployment Insurance	(\$ 15,000)	Adequate reserve balance
Police Dispatch O.E.	\$ 15,000	Contractual Increase
Impound Fees O.E.	\$ 20,000	Offset by increase in revenue collections

<p>Buildings &amp; Grounds O.E.                 \$ 21,000</p> <p>Fire Companies                                 \$ 9,000</p> <p>Pensions PERS/PFRS                         \$ 70,000</p> <p>Ewing Lawrence Sewerage                   \$353,000</p> <p>Debt Service                                  \$214,000</p> <p>Deferred Charge – Grant Fund             \$ 10,000</p> <p>Reserve for Uncollected Taxes           \$ 35,000</p>	<p>Installation of additional monitoring wells Ohio Ave. former DPW site</p> <p>Additional Funding</p> <p>Statutory increase</p> <p>Pass through billing increase Authority</p> <p>One-time pay down of BANS</p> <p>Pay down non receipt of cash</p> <p>Increase Amount to be Raised by Taxation School &amp; County</p>	<p>The increase in salaries is the net difference between cost-of-living adjustments contained in settled collective bargaining agreements, retirements and the compensation of new hires. Included is a new position in the Police Department, a Records Support Technician 1, that will be assigned to the evidence room and permit the return of a sworn Police Officer back to patrol. A position split between the Department of Public Works and Division of Engineering has been eliminated and a full-time Laborer position added to Public Works.</p> <p>Currently Lawrence Township is participating in a Declaratory Judgement case regarding the methodology and assignment of required affordable housing units to the town. The costs of the litigation are being shared by various other municipalities participating in the same legal action. The costs of the litigation are not eligible to be reimbursed from the Lawrence Township Affordable Housing Trust Fund which results in the need to increase the 2017 appropriation for Legal Services.</p>	<p>Appropriated in the 2016 municipal budget was a one-time contribution of \$500,000 to the Lawrence Township Self-Insurance Trust Fund. The appropriation is not being repeated in 2017. The recommended budget does include an additional funding amount of \$60,000. The net appropriation adjustment reflects the difference in the one-time contributions and the new fiscal year assessment from the Garden State Municipal Joint Insurance Fund which Lawrence Township participates.</p> <p>Lawrence Township municipal employees are provided health benefits or may qualify for a cash payment in lieu of receiving health benefits if the employee complies with the applicable eligibility requirements of the health care program. Health benefits are provided through the New Jersey State Health Benefits Program (NJSHBP), which dictates specific benefits and co-payments. Employees contribute a percentage of the premium for their applicable coverage and these percentage contributions are guided by level of salary. Employees will contribute \$617,000 toward the cost of their individual health benefits. The Employee Group Health Insurance appropriation increased \$75,000. Premiums for Lawrence Township increased 2%, which was below the state-wide average of 2.4%. The appropriation increased due to changes in the participant census.</p> <p>The three Lawrence Township Volunteer Fire Companies are financially supported through their own fund raising efforts and monetary support from the municipal government. One form of that monetary support comes from a budget appropriation that is direct aid to each Fire Company. In 2016 the statutory limit of said contributions increased to \$50,000. The 2017 recommended budget includes an increase of \$3,000 per fire company for phasing in of funding to the new legal limit. This direct contribution is in addition to other financial and operational support provided to the Lawrence Township volunteer fire service.</p>

Lawrence Township employees are members of the Public Employee Retirement System (PERS), Police and Firemen’s Retirement System (PFRS) or Defined Contribution Retirement Plan (DCRP). Participation in these systems requires contributions from employees and the employer. Police employees contribute ten percent (10%) of their salary and civilian employees contribute seven and twenty one-hundredths percent (7.20%) of their salary for PERS and five and one-half percent (5.5%) for the DCRP. The employer rates of contribution are twenty-five and fifty-one one hundredths percent (25.51%) for police, twelve and ninety-one one hundredths percent (12.91%) for PERS and three percent (3%) for the DCRP participants. The 2017 appropriations are; PFRS \$1,542,000, PERS \$732,000 and DCRP \$9,500. The pension systems are fully administered by the State of New Jersey. Lawrence Township is billed annually for the amount of pension liability that must be paid to the three systems for the employer share of the contribution. The systems are valued on prior wage levels, two years prior for PERS and three years for PFRS.

The Ewing Lawrence Sewerage Authority (ELSA) provides sewer treatment services to the towns of Ewing Township and Lawrence Township. The cost of that service is controlled by ELSA and is apportioned to each municipality based on the flow levels received at the plant. Costs for operation and plant debt service are shared by the two townships. Each town will pay the debt service for specific projects that benefit the individual community. Flow rates from Lawrence Township have increased and accordingly the apportioned cost of plant operations and plant debt service are higher as a share for Lawrence Township. That result is an increase to the appropriation to be paid to ELSA for that service. The appropriation is paid from the collection of sewer service fees separate from real estate taxes.

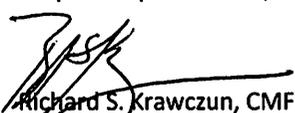

The appropriation for Debt Service as presented in the recommended budget includes a one-time advanced pay down of Bond Anticipation Notes in the amount of \$225,000 that will be funded from an increase in the amount of Surplus anticipated as revenue. The advanced pay-down will further decrease the outstanding debt of the Township.

A “Deferred Charge” appropriation of \$10,000 to be paid to the Lawrence Township Grant Fund will cover cash spent that was not reimbursed by grant programs.

The reserve for uncollected taxes is a non-spending appropriation mandated by state law to ensure there is adequate cash collected through taxes for the tax levy requirements of the school, county and municipality. The appropriation is needed to close the gap between the amount of current taxes anticipated to be collected and one hundred percent (100%) being collected. The appropriation may change since estimates were used to project the tax levies of the non-municipal tax entities. This appropriation is \$3,860,403 in 2017, of which approximately 20% is attributable to the municipal portion of the tax rate.

As this is my final budget message as the Lawrence Township Municipal Manager I would like to thank the current and past Township Councils, Township Department Directors, staff of the Divisions of the Finance Department and Municipal Managers Office for the many years of support, patience and many contributions for not only this year but in all past years developing and managing the municipal budget. Their professional knowledge and expert execution in each of their respective areas of responsibility has produced an effective and fiscally efficient municipal government operation. Thank you.

The Township Administration is prepared to fully cooperate in the review of this recommended budget by the Township Council.

Respectfully submitted,  
  
 Richard S. Krawczun, CMFO  
 Township Manager/CFO

**CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM**

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

**CAPITAL BUDGET**

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- No bond ordinances are planned this year.

**CAPITAL IMPROVEMENT PROGRAM**

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- \_\_\_ years. (Exceeding minimum time period)

- Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.
