Mission

The Lawrence Alcohol and Drug Alliance (LADA) serves as the official coordinating body for planning, awareness, and prevention education efforts on abuse of alcohol, tobacco, and other drugs in Lawrence Township.

Vision

The Lawrence Alcohol and Drug Alliance is dedicated to providing needed resources, training, and education to community members.

Our goal is to provide accurate and appropriate information to people of all ages in the community in an effort to prevent the misuse of drugs and alcohol.

Funding

The Governor's Council on Alcoholism and Drug Abuse provides funding based on specific guidelines.

Assessments and program planning are done prior to each funding cycle in order for current issues in the community to be addressed.
