DRE Recertification Card

Dear Colleague:

On behalf of the International Association of Chiefs of Police, it is my pleasure to congratulate you on completing your recertification as an IACP drug recognition expert. Attached is your renewed DRE card which signifies that you have met all requirements of Section III of the national standards of the IACP's Drug Evaluation and Classification Program.

Under the IACP standards, your DRE recertification is valid for a period of two years. Your state coordinator will be notified of the need to reapply for certification six months prior to the expiration date printed on your card.

State and local DRE coordinators should have copies of the document entitled "The IACP International Standards for the Drug Evaluation and Classification Program." You should read this document carefully if you have any questions regarding the IACP standards or the administration of the program.
