

**§ 435-21 Regulations not exclusive.**

The provisions of this chapter imposing a time limit on parking shall not relieve any person of the duty to observe other, more restrictive provisions prohibiting or limiting the stopping or standing or parking of vehicles as set forth in N.J.S.A. 39:4-138, any other New Jersey Statute or as hereinafter provided.

**§ 435-22 Parking prohibited during state of emergency.**

- A. Upon the declaration of an emergency, there shall be no parking upon the streets where temporary emergency "No Parking" signs are displayed. The Chief of Police or, in his absence, the ranking police officer, is authorized to declare an emergency and to direct the posting of emergency "No Parking" signs when weather conditions, accidents, road construction, fire or public celebrations dictate or require avoidance of hazards or other conditions which interfere with the free flow of traffic. Notification that emergency "No Parking" signs are being or will be posted shall be given to the operator or owner of any vehicle which has been parked prior to the posting of the signs.
- B. The effectiveness of this subsection is contingent upon the signs being erected as required by law.
