Motor Vehicle Crash

On Tuesday, September 2nd, 2025 at approximately 3:08pm, the Lawrence Township Police Department received a 9-1-1 call reporting that a vehicle had crashed into the showroom of the Tesla dealership (3371 Brunswick Pike, Lawrenceville, NJ).

Officers arrived on scene to find the front glass of the showroom shattered and a 2025 Tesla Model 3 inside of the building. The operator of the vehicle, Larisa Korwin (74 year old female, Princeton resident) sustained minor injuries and was transported to a local hospital via ambulance. Two customers in the showroom also received minor injuries from the broken glass. They were treated on scene and released.

As a result of the investigation conducted on scene, it was determined that Mrs. Korwin accidentally accelerated her vehicle forward into the front glass wall of the dealership and into the showroom.

The Lawrence Township Fire Department, Emergency Medical Services and the Building Inspector assisted with the investigation.

This investigation is continuing and anyone with additional information is asked to contact Officer Darren Gould #251 at 609-896-1111 or dgould@lawrencetwp.com.
